WALK AND LIVE WITH ME

### You Are Called. . .

Someone extended an invitation so you could meet Jesus in a very special way on your TEC weekend... and I bet it meant a lot to you.

Now it's your turn to offer the wonderful gift of meeting Jesus at TEC to someone you care about.

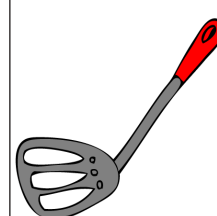

Come to Mass on Wednesday night at 6:15, pick up an application, and give that friend a chance to know Jesus like you do.

Applications may also be submitted via: [www.peoriatec.org](http://www.peoriatec.org)

### Want to get more involved in TEC but don't know how?

Come down and serve the team and candidates in the **TEC kitchen**.

Serving in the **TEC kitchen** is a great way to get to know people while having lots of fun and doing wheat.

Meal times are generally at **8:00, 12:00** and **6:00**, but you are welcome to come whenever; we're always hard at work (or hardly working) I can't remember which one.

For more information feel free to call or email Anthony LaHood at (309)370-2025 & [alahood@bradley.edu](mailto:alahood@bradley.edu).

# GOING GREEN . . .

TEC is going green! April's newsletter will be the last one that will be mailed "snail mail" style. To help save a tree, we are collecting email addresses via FlockNote. To submit your email address, go to the Peoria TEC website: [www.peoriatec.org](http://www.peoriatec.org) and click on the **e-TEC** dropdown menu (far right), and choose **newsletter**. On the newsletter page, click on the **FlockNote** link to sign up. We'll drop your newsletter in your inbox every month. If you would like to continue receiving the newsletter via "the snail," please call the Spalding Renewal Center and leave a voicemail with your name and mailing address (309-676-5587).

*Lettuce Introduce Our New  
Spiritual Director*

Looking at my calendar, I notice that it's a perfect time to begin my journey as Spiritual Director of TEC. This first letter is to ALL TEC-ites:

Lent is all about living our Paschal Mystery Journey with Jesus. Let's make this Lent an extra special one for the TEC Community.

Let us pray together for a renewed commitment and dedication to this program. Let us pray together for adults and teens to "step up" and be involved. Let us pray together that we all pass on the "gift" of TEC by encouraging others to attend. Let us pray that we all experience a change of heart and die to selfishness, while reaching out to others through this awesome TEC program. Let's pray for renewal, for God's Will at TEC, for God's Spirit at TEC, for God's Love at TEC.

Let us fill the chapel every Wednesday night praying together to these intentions. Let us do special wheat/penances during Lent for our TEC intentions. TEC needs our prayers, our involvement, and our fire to be rekindled so that we can reach out with confidence and bring others to Christ through TEC.

Come Holy Spirit, light a fire under us. Help us all re-dedicate our efforts for TEC throughout this Lenten journey. Fill us with the fire of Your love and zeal to do God's will for this program we all hold dearly in our hearts. We ask this in the name of our precious Lord, Jesus. AMEN!

P.S. Introduce yourself to me when you are around. I have a lot of names to learn. I have a lot of work to do, but with God's grace we will all get it done together.

*Deacon Rob*
